Dear Griffiths Family,

On behalf of the children and families served by Ronald McDonald House Charities® of Chicagoland and Northwest Indiana (RMHC®-CNI), I would like to thank you for your donation of toys. Your donation will help us to further our mission for families to find the care and comfort only a Ronald McDonald House can provide.

Designed in the theme of a "House in the Woods", our House sits nestled among a grove of trees directly across from Advocate Hope Children's Hospital. The three story House has 16 guest bedrooms with private baths. All of our guests have access to large, common spaces which provide the comforts of home, including a play room, game room, large kitchen, several living areas, library, and even outdoor patios to enjoy.

Your generosity helps to make this beautiful "home away from home" a reality everyday. To learn more about our House and ways to help, visit our website at [www.RonaldHouseChicago.org](http://www.RonaldHouseChicago.org), or contact us at 708-423-5285.

Once again, thank you for your thoughtful donation.

Sincerely,

Kelly Evans
